

# QUAYSIDE

HERTFORDSHIRE

Set on a picturesque riverside in Hertfordshire, this residential filming location is a three-bedroom property offering uninterrupted views along a tranquil stretch of water dotted with classic canal boats. The three-storey house rises elegantly from the bank, with its garden positioned immediately on the water's edge, creating a strong connection to the river setting. Natural light flows throughout the home, enhancing its calm, lived-in feel. A standout feature is the top-floor balcony, which provides expansive, elevated views across the river and surrounding greenery, making the property ideal for lifestyle, drama, or commercial shoots.
