

# BLUEBELL

KENT, UK

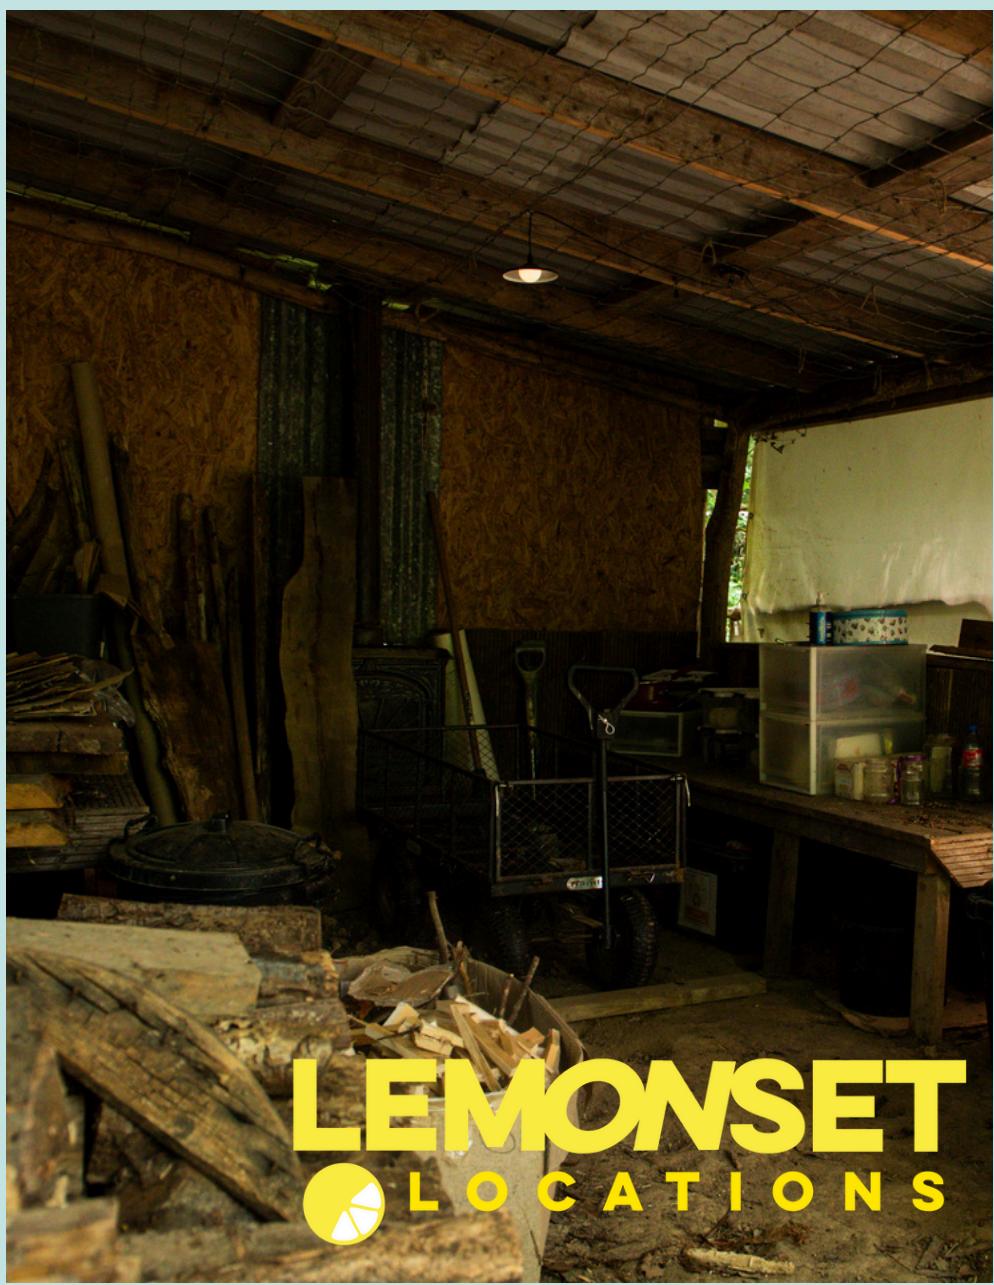

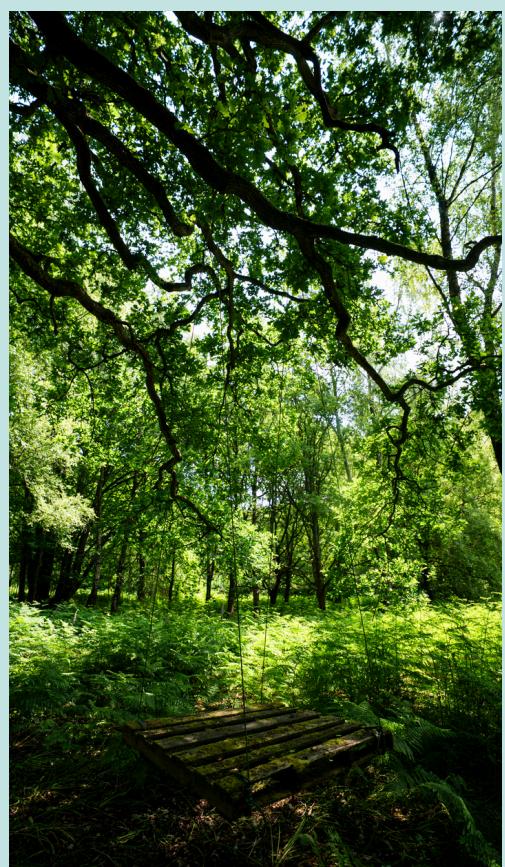

**LEMONSET**  
LOCATIONS

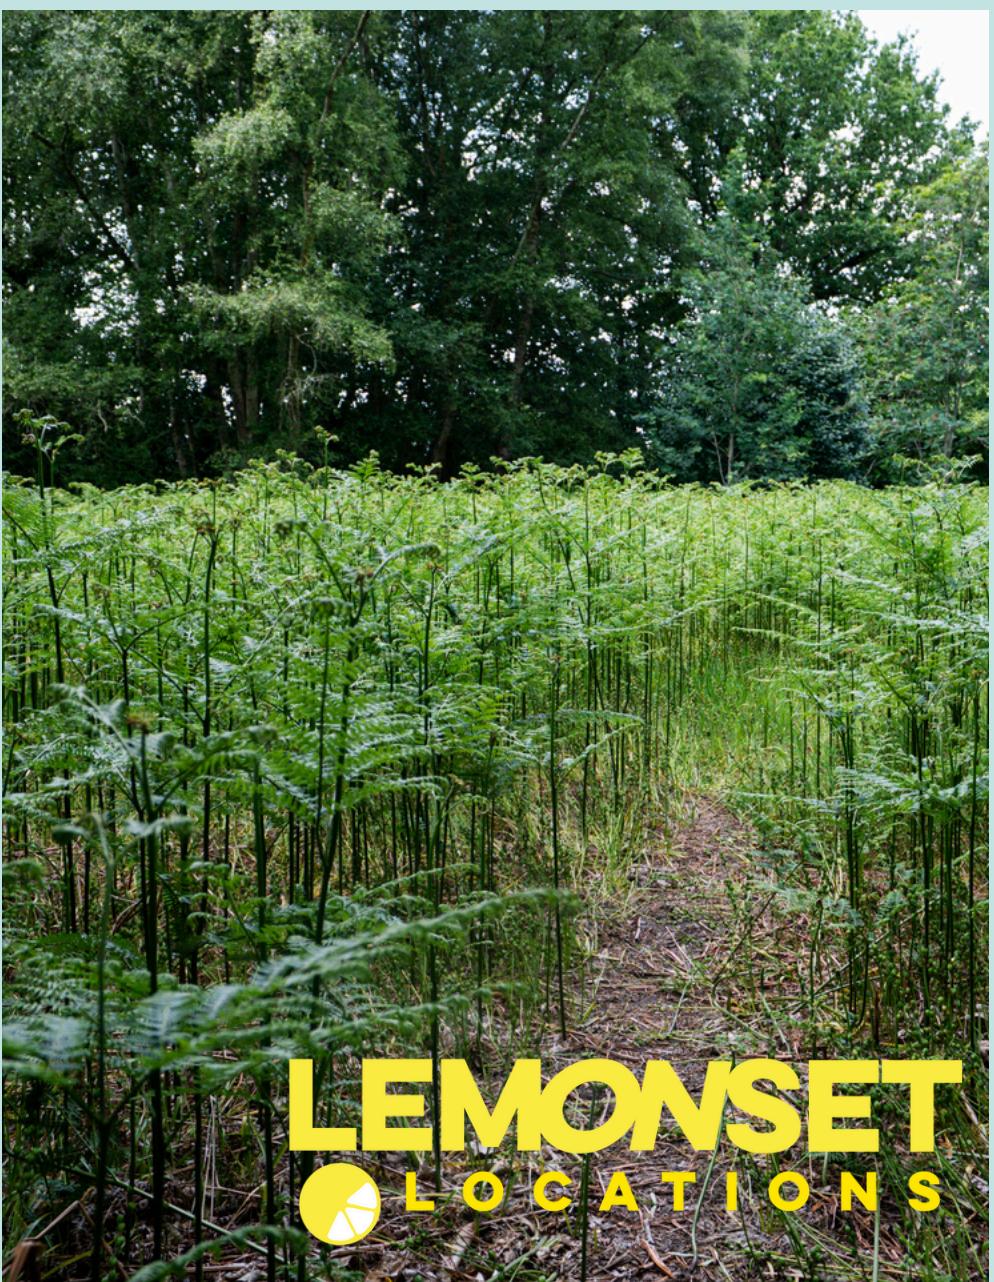

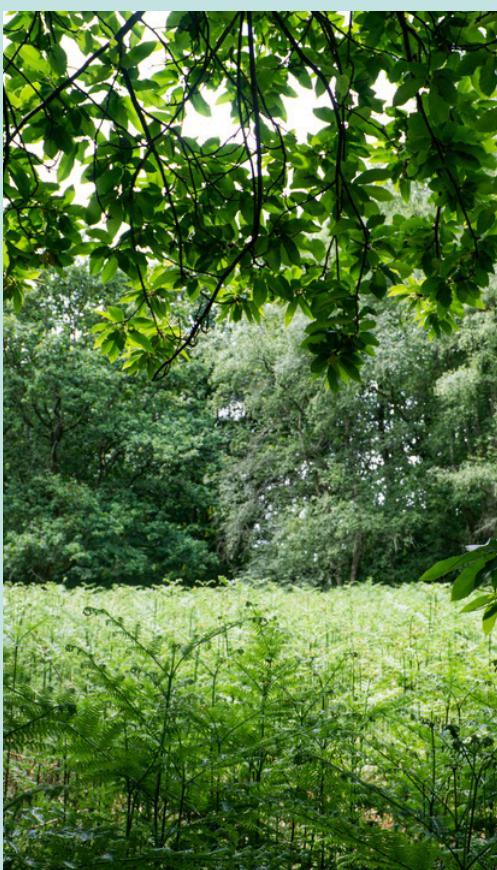

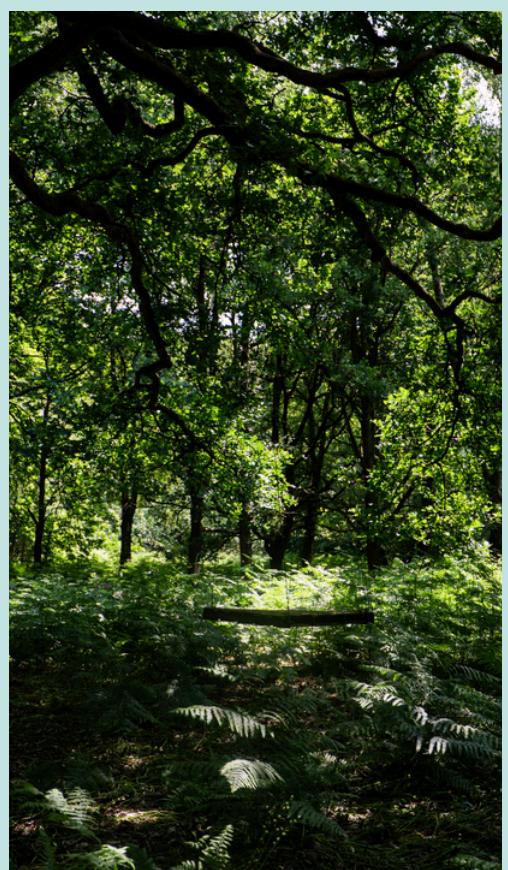

Nestled away in Kent, this enchanting woodland bursts into a carpet of bluebells each spring, creating a truly magical backdrop for filming. At its center sits a rustic cabin, full of character and charm, perfectly suited for intimate scenes or whimsical storytelling. The site combines natural beauty with practical accessibility, offering easy access for crews and equipment without sacrificing the sense of seclusion. Ideal for fantasy, drama, or atmospheric shoots, this location blends the magic of the forest with the warmth of a timeless woodland hideaway.
