

**TIMBER
CHAPEL**

HERTFORDSHIRE, UK

Located in Hertfordshire with easy access a few minutes from the A1, Timber Chapel is a historic deconsecrated chapel and an exceptional filming location, dating back to the 1500's and still full of its original charm. The Chapel is Grade II listed and is easily transformed into a period accurate location. The location is equipped with excellent facilities, the location caters to the needs of film crews with ample space and convenient access. The enchanting atmosphere and rich history enhance its visual appeal alongside a vast array of different spaces and locations. See Timber House and Timber Barn, also on the same site.
