LONDON BOROUGH OF
LAMBETH

LEMONSET
LOCATIONS

Tucked away in a leafy courtyard in the heart of Lambeth, this unique filming location combines the character of a working radio station with the charm of an open-air setting. The space features a mix of modern broadcast equipment, industrial details, and the atmospheric backdrop of the courtyard—perfect for productions seeking an authentic media environment with a creative edge. Its central location offers easy access across London, while the blend of indoor studio space and outdoor courtyard gives directors flexibility for both intimate and larger-scale shoots.
