

TIMBER BARN

HERTFORDSHIRE, UK

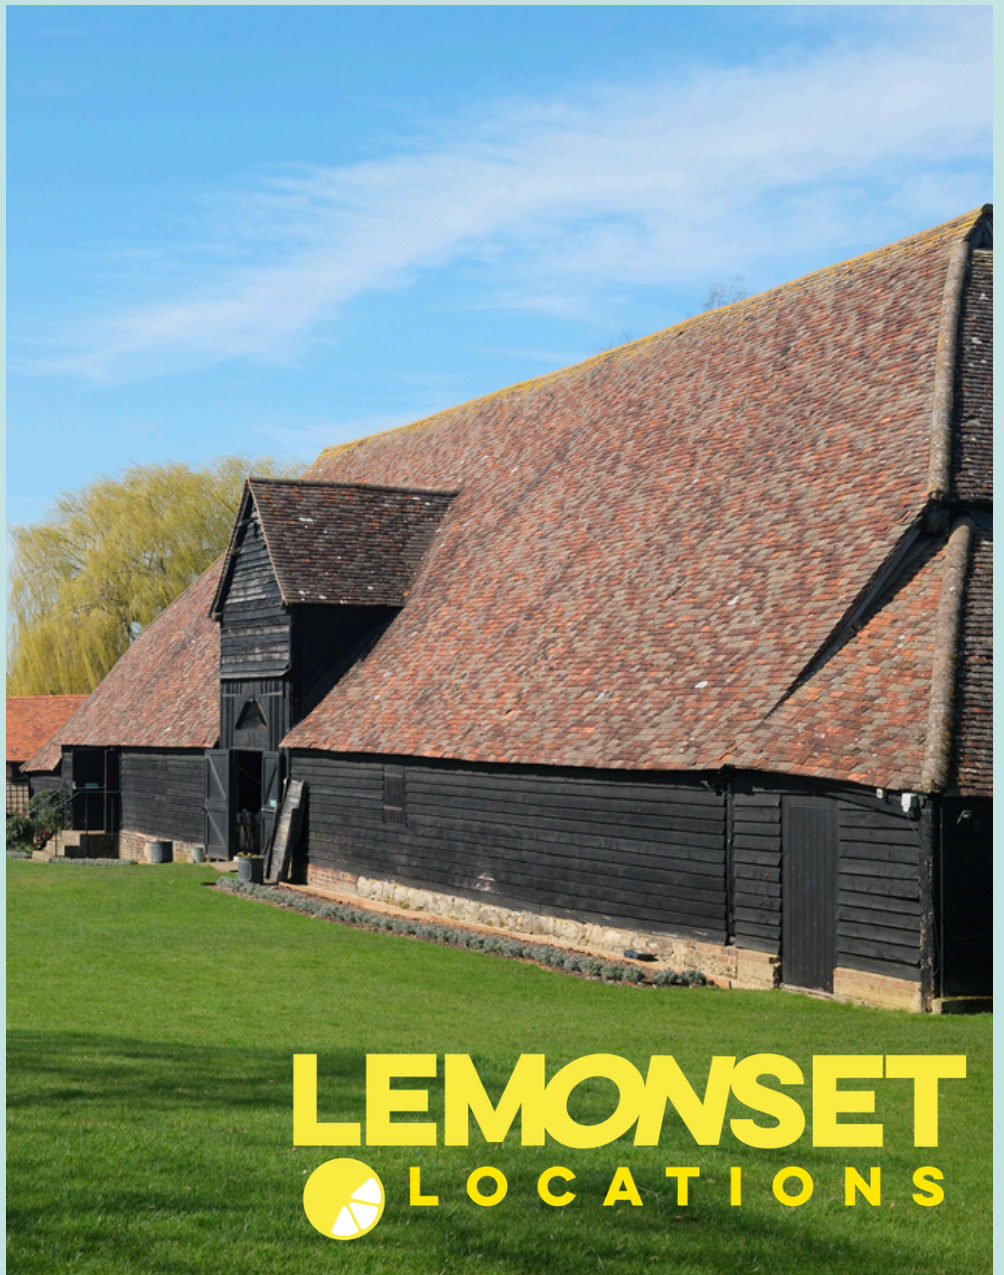

Located in Hertfordshire with easy access a few minutes from the A1, Timber Barn is a historic venue and an exceptional filming location, dating back to 1541, featuring charming rustic beams and picturesque surroundings that provide a stunning backdrop for various shoots. The barn is Grade II listed and is easily transformed into a period accurate location. The location is equipped with excellent facilities, the location caters to the needs of film crews with ample space and convenient access. The enchanting atmosphere and rich history enhance its visual appeal alongside a vast array of different spaces and locations. See Timber House and Timber Chapel, also on the same site.
